

Indoor programme

Around 30 indoor venues, many of whom were involved in last year's festival, have also signed up to host live bands over the weekend. They will continue the theme of the outdoor stages, with tribute and cover bands from as far afield as Australia, Chile, Russia and Indonesia.

For the most up-to-date information visit: www.mathewstreetfestival.com or please phone the venue.

The Albert Dock

Performances and Activities Monday 25 August

1300-1700

Outdoor Stage at the Albert Dock

The Albert Dock Company and the Beatles Story are celebrating the Mathew Street Festival by hosting their very own outdoor stage on Salthouse Dock, and conducting a very special Hey Jude Sing-a-long to celebrate the 40th Anniversary of Hey Jude's UK release.

The Hey Jude Sing-a-long will take place at 1300 on Monday 25 August across the Dock and will be led by 3000 participants from the World Fire Fighter Games with lyric sheets available!

The outdoor stage will showcase the very best of Beatles tribute bands from Karl Lornie to the Cavern Merseybeats giving you the opportunity to rock at the Dock all afternoon.

The Albert Dock will be a great location for all the family to celebrate the Beatles and to join in with our Sing-a-long!

Please note that the consumption of alcohol is not permitted outside of licensed premises across the Albert Dock.

Across the Dock

The restaurants and bars across the Dock will be hosting a range of music showcases. Make sure you check out the live bands at the following venues:

Gusto, Panam, Vinea, Circo, Blue Bar & Grill, and the Merseyside Maritime Museum.
